

The 11th International Test Commission Conference: Best Student Paper Awards

July 2-5 2018, Montreal, Quebec, Canada

The Conference Chair of the 11th International Test Commission (ITC) Conference is pleased to announce **two** Best Student Paper Awards for the biennial conference.

The award includes:

- Waiver of conference registration fee
- Cheque for CAD\$500
- ITC certificate

The **Best Student Paper Awards** will be presented to two emerging scholars who:

1. have their proposal accepted by the review committee of the 11th ITC conference in any format (i.e., paper or poster), and
2. have submitted their full paper to the Best Student Paper Awards Adjudication Committee of the 10th ITC conference by **April 15, 2018**.

Please note that the submissions need to be a fully developed paper, even if the presentation at the conference is a poster. The paper must be original work completed by the student as either single or first author. If the award is given to a co-authored paper, the award certificate will name the lead/presenting author as the award winner but also acknowledge all the co-authors' names.

Given that the purpose of the award is to help defray the costs associated with travel to the ITC conference and to encourage active participation of graduate students within the ITC community, the awardee is required to present his/her paper or poster at the conference.
